'Drive' Challenges

Ready for work challenge

As you prepare to move forward with your future, it is important to take some time to reflect. Moving forward with positivity and making good informed choices can support you in achieving your future goals. If you had the chance what would you tell your younger self?

We would like you to write a letter to younger self or to a new year 8 peer who is about to start ThinkForward in September 2020. In your letter, what advice would you give to yourself/year 8 young person? What would you say to avoid or give a go? What tips would you give on how to plan for the future.
