INTRODUCE

Lets practice. Your coach has access to a Business manager who creates exciting opportunities with our employers. Send an email to your coach asking for your local business manager's email. Using the five points in section 3, can you email your business manager:

- Introduce yourself
- Tell them your school, coach and year group.
- Tell them the careers that interest you and the work readiness skills you would like to develop.
- Lastly, let them know what employer opportunities you would be keen to get involved in. i.e insight days, work experience, jobs and apprenticeships.

Tip! You can add multiple emails in the 'To' section of your email. Make sure you add your coach too.
