**ThinkForward Consultation: Digital Engagement & Employability**

**We'd love to hear from you!** We want to understand how technology can better support ThinkForward young people. Your experiences, opinions, and ideas will help us improve our work.

**What is involved?**
You're invited to participate in a 1-hour group workshop to answer some questions and offer ideas. For information about workshop dates in your area, get in touch with your ThinkForward Coach.

**What do we want to find out?**
We're looking at how digital technology could make it easier for young people to build skills for work and access meaningful opportunities. We'd like to hear your thoughts on:

- Using digital technology
  - How could digital technology support access to work opportunities?
- AI
  - How you use AI for work opportunities?
- Digital skills
  - What digital skills you need to feel more confident using digital technology?

**Will I receive compensation for my participation?**
If you take part in the workshop, we will reward you with a £20 voucher. We'll also provide refreshments during the workshop.

**How will my information be used?**
The information you share will:

- Be kept anonymous, meaning your personal details won't be linked to your answers
- Help ThinkForward improve its programmes and services
- Help us design new ways to support young people
- Be used to create a report based on our findings.

**If you have any questions, feedback or concerns, you can:**

- Speak to your ThinkForward Coach
- Contact the Impact team by emailing info@thinkforward.org.uk.

**Please let your coach know if you would like to attend the workshop.**
